# Hangman

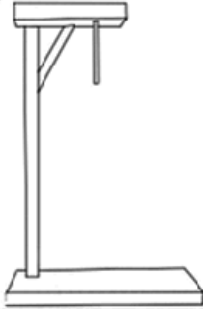

## How to Play:

This is a two player game where the object of the game is to guess the secret word before your character is hanged. Player 1 thinks of a word or a phrase and draws a blank for each letter. The second player then tries to guess one letter at a time.

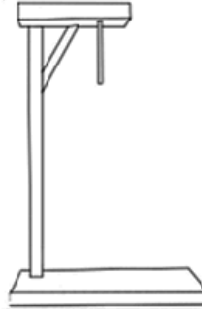

As a letter is guessed, player 1 crosses out the letter and writes in the correct blank if it's part of the word. If it is not a letter in the word, he draws one portion of the hangman, starting with the head. For each incorrect guess, player 1 draws another part including the body, arms and each leg.

If the entire man is drawn before player 2 guesses the word or phrase, then player 1 is the winner for that round. Player 2 wins the round by guessing the word before his character is hanged. Players should then switch roles for the next round. Good luck!
